from Cheapest Fuel

Here is an engine that will operate for long periods, using as of distillate, fuel, or crude oils, assuring the most dependable power and show an immense saving in the power costs of pumpin, and compressor out-fits where 15, 20, 25 or 30 H. P. is required.

It maintains lowest fuel consumption. As near completely automatically lubricated as is possible. No water injected into combustion chamber, thereby maintaining low temperature and better lubrication of cylinder and pirton. Perfect crank compression at all times. Quick starting. Sensitive governor, close, accurate speed reg-ulation. Extra large bearing surfaces tend for long service and low main-tenance cost. Simplicity of parts. Can be operated for long non-stop runs with minimum attention.

He was still buring after eight years of revolution and foreign wars. The bonds were then selling at 7% of par. One year after the end of the Revolution, the same bonds

were selling at 41%. Seven years later, the bonds were selling at 93%.

Thus Rothschild stood vindicated in his judgment against that of the entire world, and laid the foundation for a fortune, now estimated at between four and five billions

Similar opportunities for profitable investment in French Government Bonds obtain today, but admittedly it is not a malter of common knowledge or understanding.

you have faith in the survival of the Great European Nations which, through centuries of constructive effort, beginning long before the discovery of America, have made our modern civilization possible, and If you have the courage of your convictions

You can reap unusual profits by purchasing French Gov-ernment 5% Bonds today, when they are cheap. Assuming that the French 5% Loan will be redeemed on January 1st. 1931, and that the normal rate of Exchange will have been restored by that time, the average annual yield of such bonds purchased at today's prices in dollars will be more than 40%, or a total of 400% for the ten years, provided that the coupons are left with the bonds and not cashed except at normal Exchange rates.

We specialize in French Government Bonds and are equipped to furnish detailed information segurds same.
